Action Plan for Learning and Improving:

Employee understands and can demonstrate all points in this section:

Date: _____ Franchisee: _____

Manager: _____

The following are general interview questions designed to assist you as you interview potential staff for either part-time or full time, assistant manager and manager positions.

I General questions to start with for any position in a retail store:

1. What makes you suitable for this retail job?
2. What qualities do you consider most important in this retail job?
3. What interests you about selling to customers?
4. How do you go about familiarizing yourself with the products you sell?
5. Why are you interested in a position at this company?
6. Describe a time when you had to handle a difficult customer.
7. Describe your working hours in your previous position.
8. What do you know about this company's products and services?
9. What do you enjoy about working in retail sales?

II Additional Questions to ask when hiring for an Assistant Manager:

1. What strategies do you use to address employee disrespect or poor performance?
2. How would you describe yourself?
3. What 3 adjectives best describe you?
4. What is your leadership style? Can you give an example of a time when you applied your leadership abilities to motivate or coach an employee?

III Additional Questions to ask when hiring for a Manager:

1. What did you like or didn't like about your previous or current job?
2. How would you perform for this store? As in what plan of action would you have?
3. How do you handle a difficult decision when having to fire someone or settling a dispute between employees?

The following is an application form for general part-time and full time positions. Go to sangsters.com/media/forms and download a copy or request copies (2 sided) from the marketing department or email: marketing@sangsters.com
